SHIVAM KUMAR

Frontend Developer | Data Analysis

Begusarai,Bihar | 7488881563 | 15shivambgs@gmail.com | LinkedIn | Git | Portfolio

PROFESSIONAL SUMMARY

MCA graduate with strong expertise in **Web Development**, specializing in building **responsive** and user-friendly web applications. Passionate about developing clean, interactive user interfaces and solving complex problems through real-world projects. Experienced in both **front-end** and **back-end** technologies, with a focus on **API integrations**, **database connectivity**, and **version control (Git)**. Eager to contribute to a collaborative team environment, continuously learning modern web technologies to deliver high-performing digital solutions.

CORE COMPETENCIES & TECHNICAL SKILLS

- **Programming Languages:** Python, C, C++, Core Java, JavaScript
- **Web Development:** HTML5, CSS3, JavaScript (ES6), React.js, Bootstrap, Tailwind CSS
- **Backend Technologies:** Node.js, Express.js, Django, Python
- **Database & SQL:** MongoDB, MySQL, **SQL Fundamentals**
- **Tools, Version Control & Cloud:** Git, GitHub, AWS (Basic), Vercel, VS Code
- **API & Web Services: REST APIs**, JSON, External API Integration
- **Data Science:** Pandas, NumPy, Matplotlib

EDUCATION

Master of Computer Application Aug 2024 – May 2026

AKS University Satna, Satna MP | CGPA -8.82/10

PROFESSIONAL EXPERIENCE

Shanti Infosoft, Indore MP | Data Analyst Intern Jan 2026 – Jun 2026

- Performed data cleaning, preprocessing, and analysis on real-world datasets using Python and SQL
- Created visualizations and reports to identify trends, presented findings to stakeholders, and supported data-driven decision-making
- Tech Stack: Python, pandas, NumPy, Matplotlib, MySQL
- Delivered monthly reports with actionable insights to support business and marketing leadership

KEY PROJECT

BhaktiYatra — Pilgrimage Travel & Tour Booking Platform

- Developed a **full-stack web application** for online pilgrimage tour booking, demonstrating proficiency in both front-end and back-end development.
- Implemented secure payment gateways and generated digital tickets (PDF + QR-code) with automated email confirmation.
- Designed and managed a robust **Admin Dashboard** for tour, seat, and booking management using role-based authentication.
- Enabled **database connectivity** and performed **quality assurance** to ensure seamless application performance.

LMS – Student Module

- Developed a frontend dashboard for students to manage courses and interact with a Learning Management System.
- Collaborated on API integrations for dynamic content display and ensured responsive design across all devices. Utilized **Git** for version control and deployed the application on Vercel to showcase deployment processes.

CERTIFICATION

- AWS Course Certification — (Anudip Foundation) | *Sep 2025*
- Web Design & Development — NSDC & SIDH | *Dec 2025*
- Frontend Web Development — RFSA & SIDH | *Oct 2025*
- Core Java — Naresh IT | *Jun 2019*
